

Empowering People With Disabilities For Over 20 Years

Dear

I am writing to invite you to join a new network for young adults who have a disability or are carers and aged between 20-25 years old. The network is all about:

- Information – ‘information is power’. Sharing information makes life easier for everyone
- Involvement – opportunities to give your views on consultations happening in Devon, South West and the UK.
- Education – on subjects which you want to know about.
- Campaigning – having a voice on issues which affect you.
- Peer support - supporting each other.

This network is open to both organisations and individuals to join. You can get involved with Facebook discussions or come to support meetings. The meetings will include information sharing, discussions, opportunities for peer support as well as the chance to hear from organisations who are working with people your age.

The Young Adult Network is supported by Living Options Devon, a user led organisation which seeks to ensure that people with disabilities and Deaf people across Devon and the UK have the opportunity to live the life they choose.

You can join the network through Facebook or by coming to our support meetings. The first meeting will be held on 18th July 2012 in Exeter.

Book your place by email: sarah.croft@livingoptions.org or by telephone: 01392 459222

I hope to hear from you soon

Best wishes

Sarah Croft
